Meet the family

Nine inseparable friends. Who is your favorite?

Bella — The happiest one at home, tongue always out.

Canela — Sweet and caring. She is always listening.

Thunderbolt — Slow but determined. Never misses an adventure.

Oliver — The serious one. Loves quiet corners.

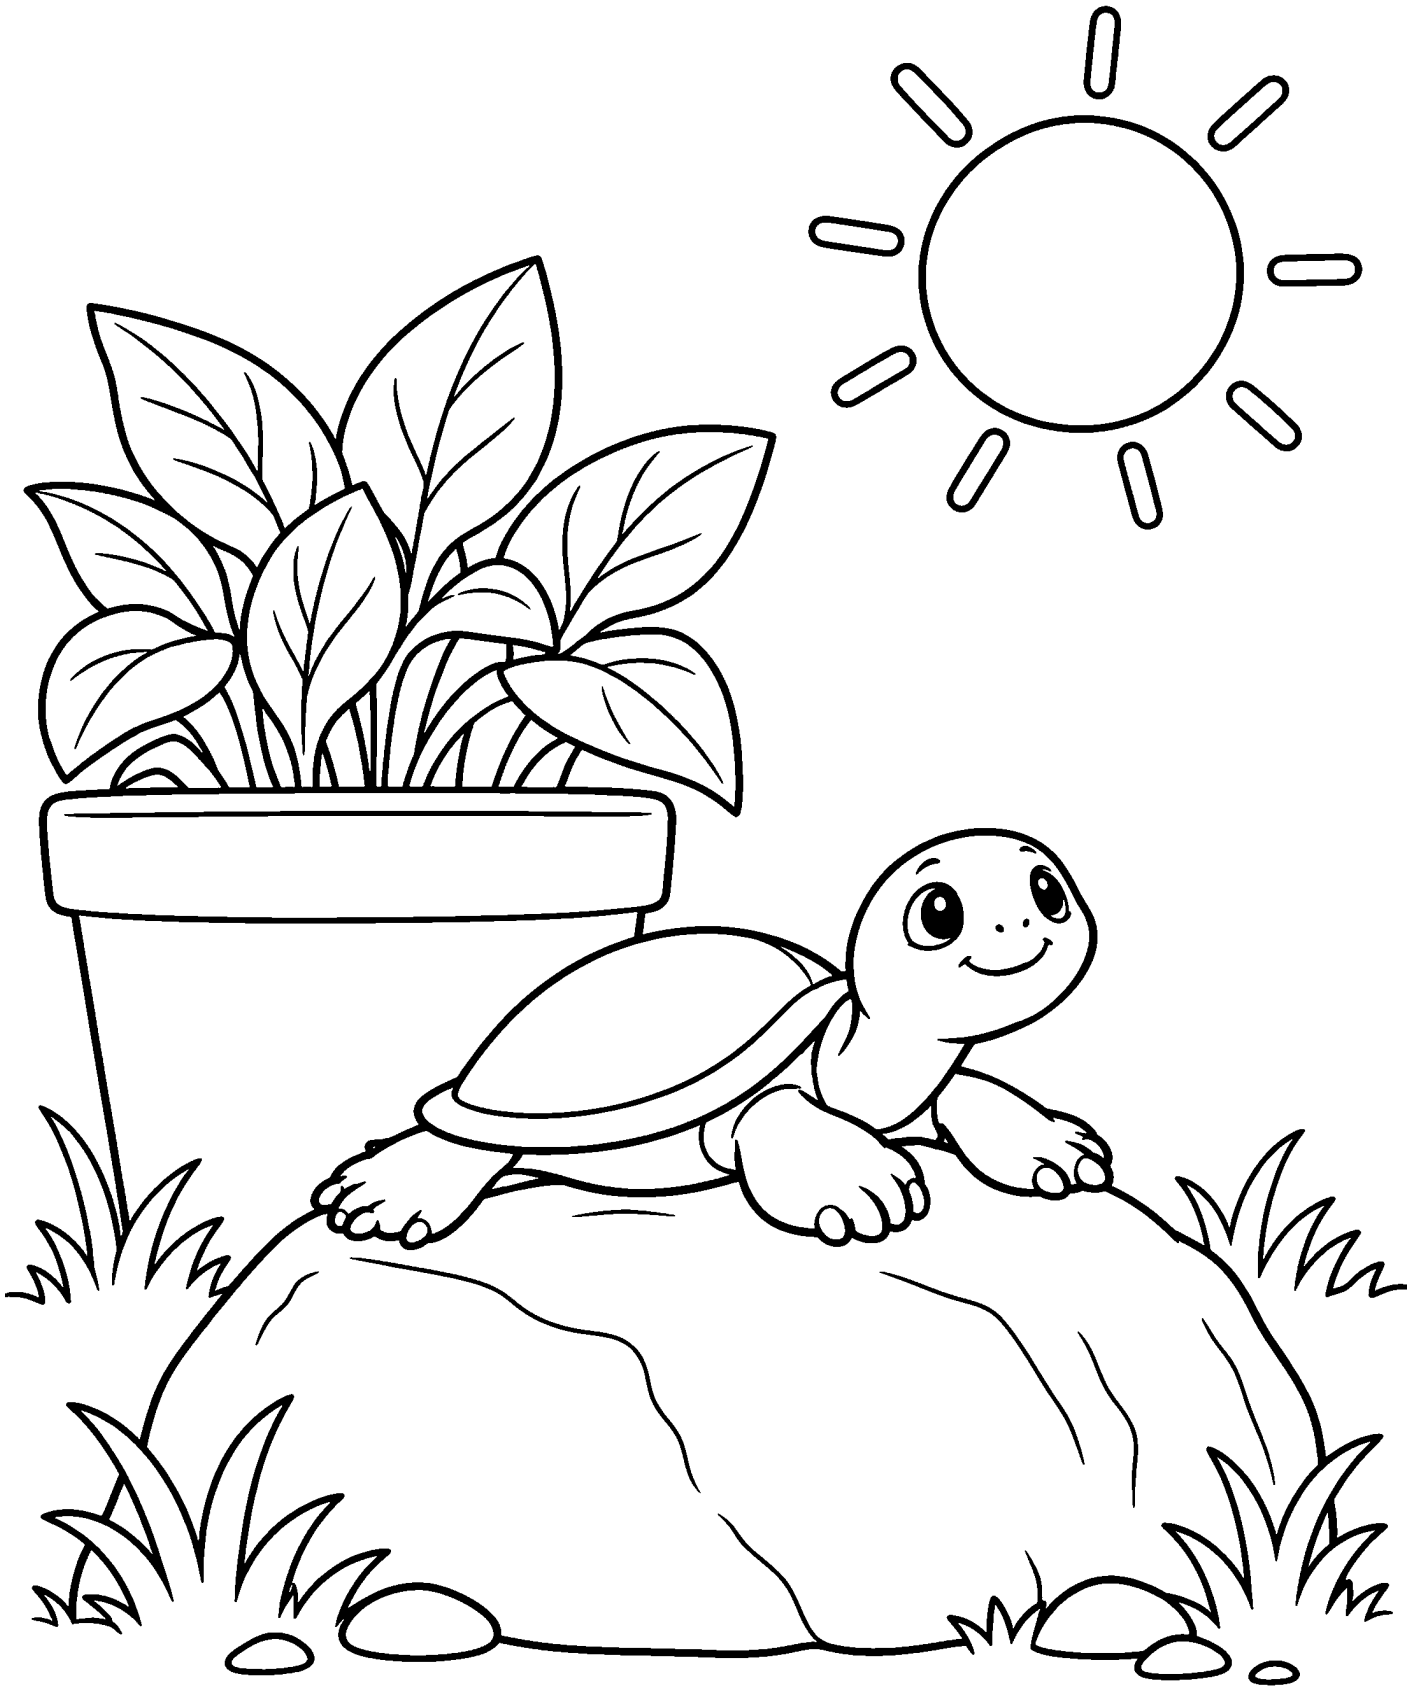

Minchu — Elegant and curious. Touches everything with her paw.

Wilson — The great sleepyhead. Only wakes up to eat.

Merlyn — Calm and hungry. His treasure: carrots.

Merlyna — The jumper. She hops when she is happy.

Zapote — The red fish who watches everything from his bowl.

Thunderbolt sunbathes on his favorite rock.

Bella and Canela run after the ball.

Canela's tip: For Bella's fur, draw little curls with your pencil.

Canela paints her first masterpiece: paw prints!
