# My error notebook

Every mistake you write down is one you won't make again

MONTH _____

## HOW TO USE IT

**1** — Copy the mistake exactly as you said or wrote it.

**2** — Next to it, the correct version. Read it out loud 3 times.

**G · V · P** — Mark what went wrong: **G** grammar, **V** vocabulary, **P** pronunciation.

↺ — If it happens again, tick another box. That is the topic to review.

## MY MISTAKES

**G** = grammar (the tense, word order, a preposition) · **V** = vocabulary (you used the wrong word) · **P** = pronunciation (people didn't understand how you said it)

_____

**Canela's tip:** making mistakes isn't the problem; repeating the same one is. If a mistake shows up 3 times, go back to that topic and redo the exercises.
